 **Women  
Build  
2026**

**Join us on March 6 & 7 as women come together to build futures through homeownership for local women & families in St. Johns County**

**Why Women Build?**

**Women helping women to positively impact lives.**

Women Build volunteers from all walks of life come together to build stronger, safer communities.

Last year, almost 20 women volunteered on Friday and nearly 40 assisted on Saturday! Not only did they help build homes for future female Habitat homeowners, but they also networked and enjoyed making new connections throughout the event. The Women Build community knows that more than 60% of Habitat's homebuyers are women, and many are single moms and/or military veterans. These amazing female volunteers and sponsors work together to help more women overcome the gender barriers to homeownership – women inspiring and empowering other women.

As a locally supported non-profit, the work we do is only possible through support from our local community.

Through Women Build, you have the opportunity to emerge as a leader on the vital issue of affordable housing and equity building in St. Johns County. Join us in making a difference and building a brighter, more stable and secure future for families in need.

Sponsorship levels and benefits are detailed on the next page. To become a sponsor, please contact Tom Torretta at 904-826-3252 x2001 or [ttorretta@habitatstjohns.org](mailto:ttorretta@habitatstjohns.org).
